

HOW DOES OUR SELF STORAGE WORK?

Contact us on 0487 317 819 so that we can provide you with information on the best solution for your storage requirements and ensure there is a suitable spot available for you.

The check-in process doesn't take long. Our forms are available for download from this website if you would prefer to print it out and bring it with you.

We will help you select your storage spot, complete a storage agreement (this includes copying your Photo ID) and book your move-in date.

Once payment is made, we log your phone number into our gate system so you can access your property at your leisure.

HOW DO I PAY?

Payment is made via electronic transfer to the nominated account. Account details are available on the Storage Agreement, and also in the folder we give you at check-in.

Payments are made monthly unless you have taken the annual option.

Annual payment attracts a 1-month discount.

We will send you a reminder invoice 7 days prior to next payment date.

We require only 7 days' notice you are vacating.

Once vacated, please phone to confirm, close door (if you have rented a shed) and remove your lock.

You will have full access to our washing bay. This is very popular, particularly with our fishermen/boaties.

If you would prefer, we are happy to park your vehicle for you and also have it ready when your ready for your next adventure.
